

# Considerations for Developing Re-Opening Plans for Nebraska's Schools

Nebraska Rural Community Schools Association

Jack Moles, Executive Director

INTRODUCTION

➔ Member Superintendents and Educational Service Unit Administrators of the Nebraska Rural Community Schools Association (NRCSA) have developed ideas for consideration to support districts and communities in determining their plans and strategies for reopening schools. NRCSA's Considerations for Developing Re-opening Plans for Nebraska's Schools provides a tiered approach of ideas that schools may choose to consider before students and employees return to school buildings, along with considerations that may be applicable throughout the school year. It is designed to help districts prioritize the health and safety of students and teachers as they open school buildings and deliver instruction for the 2020-2021 school year.

➔ This document is not intended to provide prescriptive or restrictive guidelines to districts. It is simply a framework for districts as they build their re-opening plans. NRCSA recommends school districts continue to monitor CDC, state agency, and local and district health department guidance and comply with directives as these are issued. The Nebraska Department of Education's "Launch Nebraska" → <https://www.launchne.com/> will be especially important for the district as it develops its local plan. It may also be advisable to confer with the school district's attorneys on some issues. The information provided in this document is not mandated, or state required. Local school districts have the authority and flexibility to meet their individual needs and be responsive to their communities.

➔ Nothing in this document should be construed as a mandate, and the committees which compiled these considerations did so with an intent to always provide room for, and respect for, the latitude of local control. Superintendents, school officials and local Boards of Education are the best determinants of decision making at the local level. They know their communities best.

**Each committee was chaired by a Nebraska School District Superintendent or ESU Administrator and co-chaired or assisted by a colleague. Committees included diverse membership representing predominantly superintendents, but also ESU administrators and specialists.**

MODEL

While state decisions may decide the general format that school takes in the fall, it will fall to the local administration and Board of Education to decide the fine details of any format. Basically, the general formats that may be utilized with the opening of the new school year will fall into one of three modes based on community spread of Covid-19. These modes are (1) low or no spread, (2) minimal or moderate spread, or (3) substantial spread. The general formats that the school year may take, based on these modes would appear to be as follows:

LOW/NO SPREAD	MINIMAL/MODERATE SPREAD	SUBSTANTIAL SPREAD
School buildings are open, with minimal restrictions. The district may choose to initiate preventative practices or additional proactive protocols.	School buildings are open, but use may be minimal, altered, or staggered. Such use may be based on social distancing directives.	School buildings are closed. The closure may be short-term or extended and will likely be based on state (NDE) or district health declaration.

# Considerations for Developing Re-Opening Plans for Nebraska's Schools

Nebraska Rural Community Schools Association  
*Jack Moles, Executive Director*

➔ Member Superintendents and Educational Service Unit Administrators of the Nebraska Rural Community Schools Association (NRCSA) have developed ideas for consideration to support districts and communities in determining their plans and strategies for reopening schools. NRCSA's Considerations for Developing Re-opening Plans for Nebraska's Schools provides a tiered approach of ideas that schools may choose to consider before students and employees return to school buildings, along with considerations that may be applicable throughout the school year. It is designed to help districts prioritize the health and safety of students and teachers as they open school buildings and deliver instruction for the 2020-2021 school year.

➔ A committee chair and secretary were identified for each committee. These individuals served on a Steering Committee. Also serving on the Steering Committee were several Education Service Unit administrators, as well as Project Coordinators John Skretta (ESU 6 Administrator) and Jack Moles (NRCSA Executive Director). The committee chairs and secretaries were (first name listed is the Chair, second name is the Secretary/Co-Chair):

<b>CUSTODIAL/HEALTH:</b>	Mark Lenihan (Wayne Superintendent) Stephanie Kaczor (Riverside Superintendent)
<b>TRANSPORTATION:</b>	Brian Rottinghaus (Pawnee City Superintendent) Joe Sherwood (Morrill Superintendent)
<b>SPED/504:</b>	Heather Nebesniak (Ord Superintendent) Amy Shane (O'Neill Superintendent)
<b>CALENDAR/LOGISTICS:</b>	Brent Hollinger (Cross County Superintendent) Jim Widdifield (Minden Superintendent)
<b>INSTRUCTION/CLASS SIZE:</b>	Vern Fisher (Gibbon Superintendent) Deb Paulman (ESU 16 Administrator)
<b>ACTIVITIES:</b>	Alan Garey (Medicine Valley Superintendent) Jeff Edwards (Northwest Superintendent)
<b>FOOD SERVICE:</b>	Lori Liggett (Gordon-Rushville Superintendent) Curtis Cogswell (McCool Junction Superintendent)
<b>PERSONNEL:</b>	Shawn Scott (Adams Central Superintendent) Ginger Meyer (previously Scribner-Snyder Superintendent, now Chadron Superintendent)

## NSAA ACTIVITIES ↘

The Nebraska School Activities Association’s (NSAA) [“Return to Activities” document](#) will provide guidance on high school NSAA-governed activities.

## NDE ACTIVITIES ↘

(i.e. FFA, FCCLA, FBLA, SkillsUSA, DECA, HOSA, Educators Rising)

### District/School considerations:

#### Implement standard operating procedures while taking preventative measures such as:

- Providing hand sanitizer for students and staff.
- Allowing students and staff to wear face masks/coverings.
- Follow social distancing practices established.
- Each individual school or student chooses to attend an activity or not.

**Follow NSAA guidelines for sporting events and practices**

### District/School considerations:

- Abide by the maximum number of people allowed to congregate as defined.
- Identify and utilize large spaces.
- Stagger the schedule for large group gatherings.
- Discourage the congregation of students in parking lots and common areas
- Virtual conferences, workshops, meetings

**Follow NSAA guidelines for sporting events and practices**

### District/School considerations:

School buildings are closed. Abide by the maximum number of people allowed to congregate as defined by the Governor’s current statewide Executive Order

# CALENDAR/LOGISTICS

	<b>LOW/NO SPREAD</b> Building Open as Usual	<b>MINIMAL/MODERATE SPREAD</b> Modified use of buildings	<b>SUBSTANTIAL SPREAD</b> School buildings shut down
<b>PANDEMIC RESPONSE/ RETURN TO SCHOOL COMMITTEE</b> ↘	Admin, school board members, teachers, staff, school nurse, parents, community members, local health department	Admin, school board members, teachers, staff, school nurse, parents, community members, local health department	Admin, school board members, teachers, staff, school nurse, parents, community members, local health department
<b>Frequency</b>	No less than once per month	No less than once per week	No less than twice per week
<b>Purpose</b>	To provide a framework for communicating, preventing, responding to, and recovering from a pandemic outbreak and any resulting life-threatening complications that may impact the school. The development of the plan will include the local Public Health District as well as input from teachers, administration, parent representatives, and other members of the community as appropriate. The plan is part of the district’s school safety/crisis team plan. Parts of the plan may include but not limited to: District Team, Communication, Prevention Considerations, Response/Treatment Considerations, and Resources.		
<b>Plan</b>	<b>Reopening Plan from ESU 3</b> 📄		
<b>Communication</b>	Communication may include: frequent updates from leaders using multiple communication modalities; posters/infographics, web material, and social media; signage throughout facilities directing risk-minimizing behavior such as hand washing and surface sanitizing procedures, COVID-19 symptoms and how to stop the spread, screening and testing access, princess, and requirements		
<b>Prevention Consideration</b> <i>(including cold/flu season)</i>	<ul style="list-style-type: none"> <li>Prevention considerations may include: activities to reduce the spread of a virus, social distancing, school cleaning and disinfecting, educating students/staff/parents to eliminate concern, hygiene practices embedded in classroom and symptoms checks, increasing nursing staff utilizing nurse clerks.</li> <li><b>Consider School Nurse Clerk</b> 📄</li> </ul>		

- Committee responsible for communicating with each other. Frequency would be determined by color as stated above.
- Monitor restrictions and removal of restrictions based upon the changing dhms. Adjust the plan accordingly.
- Maintain consistent communication with local health department to ensure best practices.
- Adjust plans for the following aspects of school based upon the current color assigned to the district: length of school day, number of school days, transportation, food services, movement throughout the building, classroom arrangements.

➔ **What to do with staff/student** 📄   ➔ **What to do with staff/student** 📄   ➔ **What to do with staff/student** 📄  
**Staff with underlying health conditions** 📄

# CALENDAR/LOGISTICS *continued...*

<b>LOW/NO SPREAD</b> Building Open as Usual	<b>MINIMAL/MODERATE SPREAD</b> Modified use of buildings	<b>SUBSTANTIAL SPREAD</b> School buildings shut down
--	---	---

## RESPONSE/TREATMENT CONSIDERATIONS ↘

### Develop standard operating procedures (SOPs) for the following:

- A learner, faculty, staff or visitor is symptomatic for COVID-19
- A learner, faculty, staff or visitor test positive for COVID-19
- A learner, faculty, staff or visitor is exposed to an individual positive for COVID-19

### The process should include:

- Processes to trace & contact relevant parties who may have been exposed
- Communication with environmental services to facilitate rapid cleaning and disinfecting surfaces to immediately limit learners, faculty and staff exposure
- Working with families and local authorities to take appropriate steps to prevent, diagnose and if necessary, quarantine/isolate or refer for treatment
- Working with public health authorities to make emerging antiviral therapy and/or vaccines available in a timely way as they become available.
- Develop and implement a return to school policy in coordination with local public health authorities for all recovering individuals, those returning from caring for an infected individual and those returning to the community from international and high-risk national locations
- Screening, list of support services available in the community for learners, faculty, and staff for loss of resilience, stress, depression and suicidal ideation
- Training for learners, faculty, and staff on the signs of mental health such as loss of resilience, stress, depression and suicidal ideation
- Learner access to mental health supports such as school counselors, school social workers, etc.
- Have available for staff, parents, and families educational materials on loss and grief and ways to cope with stress
- Identify a mental health team that among other things can identify students and families in need of emotional and psychological support and refer to school community services/supports if needed

## COMMUNICATION PLAN ↘

--	---	---

## POSITIVE CASE IN THE SCHOOL/SCHOOL CLOSURE *continued...* ↘

<b>Facility Usage</b>	Work with school administrators, school nurses, and other healthcare providers to identify an isolation room or area to separate anyone who exhibits COVID-like symptoms.	Schools consider alternative scheduling with certain grades attending (M, W, F) and others (T, TH) one week, then alternating to lower numbers in facility. Consider keeping K-6 or K-8 facilities operational with students attending during mandated closing and go with 100% remote learning with 9-12.	Consider keeping K-6 or K-8 facilities operational with students attending during mandated closing and go with 100% remote learning with 9-12? Can Schools receive a waiver from state allowing elementary students to continue receiving in-school education? Recommendation to NDE is to still allow small groups to attend school to work (Shop, SPED, 504)
<b>Attendance</b>			NDE/State School Board allow schools to teach remote learning and have those days “count” towards attendance if school chooses to do 100% remote learning.
<b>Grading</b>			NDE/State School Board allow schools to grade work and count towards GPA, class rank, etc. in remote learning environment if school chooses to do 100% remote learning.
<b>Technology Needs</b>	School may consider moving toward a 1:1 device:student for K-12 to provide assurance for district in the case of possible future shutdowns.	School may consider moving toward a 1:1 device:student for K-12 to provide assurance for district in the case of possible future shutdowns.	If school is required to go 100% remote learning, consideration of having a 1:1 device/student ratio for K-12.
<b>Student Accessibility</b>			100% wireless accessibility for ALL students in district? If not, implementing plan to provide 100% access. Perhaps purchasing iPads that have cellular service.

# CALENDAR/LOGISTICS *continued...*

<b>LOW/NO SPREAD</b> Building Open as Usual	<b>MINIMAL/MODERATE SPREAD</b> Modified use of buildings	<b>SUBSTANTIAL SPREAD</b> School buildings shut down
--	---	---

## POSITIVE CASE IN THE SCHOOL/SCHOOL CLOSURE *continued...* ↘

### Return to Work Agreements

Review/Update Return to Work Agreements with BOE and school attorneys to determine if they worked well for school district during spring of 2020

Possibly using Return to Work Agreements to keep some of workforce at home during a mild spread.

Initiate Return to Work Agreements for classified staff based on district philosophy on how to pay classified during closure.

### Last 1st Semester Closure

School district could consider moving the end of 1st semester to after January 1, initiate a new calendar option that would then have school go longer into spring than originally planned.

## CALENDAR OPTIONS ↘

- Consider various calendars
- Start on time
- Start, stop, then start again
- Start later than planned
- Start early
- Extend the school day to reduce the # of contact days
- **Reduced Calendar Day with Longer Hours** ☐

### Calendar Examples:

- **Minden Alternative Calendar-Late Start Before Labor Day** ☐

### Starting Early Calendar ideas:

- **August 4th Early Start** ☐
- **Thayer Central Alt Calendar** ☐

When needed schools will take steps to transition between Phase III and Phase IV guidelines in regards to food service.</li> </ul>	<ul style="list-style-type: none"> <li>• Packaged meals will be distributed. The method would be at the district’s discretion.</li> <li>• NDE will provide “guidance” (based on “best practices”) on safely reopening, but (3) it will ultimately be a local decision on how schools reopen this fall.</li> </ul>

**Schools will attempt to limit student interactions by practicing social distancing and the following if applicable.**

- Serve lunch in classrooms or other available spaces ie. gym.
- Expand lunch periods so fewer students are in a space at one time.
- Consider outside seating if possible.
- Consider open campus for high school students
- Eliminate student use of keypad for point of sale, instead assign one staff member or use remote scanning of ID card.

**In regards to the distribution of food schools may consider the following practices:**

- No use of salad bar, or self-serve fruit and vegetable bar; instead provide individually wrapped items.
- Use foam or disposable trays.
- No self-serving by students. Food items will be individually packaged or placed on trays by food service personnel. Students may pick up prepackaged items, but a space will be maintained between items to prevent students from touching the food of others.
- Food service staff will comply with NDE safety requirements and recommendations such as face shields, gloves, disinfecting, etc.

**NDE will provide “guidance” (based on “best practices”) on safely reopening, but it will ultimately be a local decision on how schools reopen this fall.**

# INSTRUCTION/CLASS SIZE

<b>LOW/NO SPREAD</b> Building open as usual	<b>MINIMAL/MODERATE SPREAD</b> Modified use of buildings	<b>SUBSTANTIAL SPREAD</b> School buildings shut down
--	---	---

Professional Development (PD) on delivery of effective formative, interim and summative assessments both on-line and in the classroom; online/virtual delivery of instruction; social emotional supports for students & staff; Reach out to ESU for professional learning supports and supplemental mental health supports

- Consider limiting travel to in-state conferences only and to areas with low virus spread.
- Utilize internal district expertise for professional development. \*Consider holding virtual conferences, workshops, and meetings.

- Ensure all faculty and staff have remote access and device capability.
- Limit school district mass gatherings of staff for PD/ motivational speakers for 2020-2021.
- Schools should consider measures such as providing early retirement incentives and creating new roles for teachers and principals who are forced to remain at home due to their risk.

## CURRICULUM AND INSTRUCTION

<https://docs.google.com/document/d/1jgmkyXPJ9eThz-QJLBwoRi-IrFdgVp2TPHAcxsbhUQ/edit>

## ASSESSMENT AND RESPONDING TO STUDENT NEEDS ↘

### General Considerations:

1. Keep students in grade level content and “spot” remediate unfinished learning,
2. Focus on [essential content-Math & ELA](#)
3. Ensure that all students have access to [HQIM](#) in core programming.

### Plan of Actions:

- [Summer Critical Actions](#)

### General Considerations:

- Whether we enter the 2020-21 school year in green or yellow teachers may want to consider engaging in the same assessment protocols recommended in green. Refer to the green column.
- [Key Factors if Administering NWEA MAP Growth Remotely](#)
- PD on delivery of effective formative, interim and summative assessments both on-line and in the classroom.

### General Considerations:

- Assuming that the move to red occurs sometime after the on-site start of the 2020-21 school year, additional considerations could include:
- [Key Factors if Administering NWEA MAP Growth Remotely](#)
- PD on delivery of effective formative, interim and summative assessments both on-line and in the classroom.

# INSTRUCTION/CLASS SIZE *continued...*

**LOW/NO SPREAD**  
Building open as usual

**MINIMAL/MODERATE SPREAD**  
Modified use of buildings

**SUBSTANTIAL SPREAD**  
School buildings shut down

## ASSESSMENT AND RESPONDING TO STUDENT NEEDS *continued...* ↘

### How Do We Know What They Know?

- [Pre Assessment Strategies Examples](#) ▢
- For ELA:
  - ◊ [IRLA](#) ▢
  - ◊ IXL
  - ◊ Acadience
  - ◊ MAP Accelerator
- For Math:
  - ◊ [Zearn](#) ▢
  - ◊ IXL
  - ◊ MAP Accelerator

### What Do We Do if They Don't Know?

- Addressing Student Needs
  1. How can use all staff (music, PE, Art, SS) and creatively schedule to remediate unfinished (pre-requisite) learning.
  2. For ELA gaps consider building background knowledge of students. Ex. preparing to read on grade level complex text on WWII, provide video, interview w/vet, access news reels, prior to reading complex text
  3. [Scaffolding student learning resource](#) ▢
  4. Online re-teach
- For ELA:
  - ◊ EdReady
- For Math:
  - ◊ Zearn
  - ◊ Kahn Academy
- Use Learning Management System (LMS) to deliver online re-teach lessons
- Flipped classroom

## PERSONNEL *continued...* ↘

### Start dialogue with your staff about the following:

(as level of spread increases, revisiting many of these topics is advised)

- The difference between a health condition and fear of returning to work (the checklist and processes above will help with this).
- Reminder that, due to COVID-19, duties may be assigned in which nobody is thinking about. For example, extra lunch room duty, extra cleaning, etc.
- Discuss with staff about extra duty pay if the sports season is partially or fully cancelled (education association/negotiations issue).
- Discuss how the negotiated agreement may apply to teaching and learning in a remote setting. Are there any anticipated issues, concerns, etc?
- Discuss with teachers about preparations and expectations to teach BOTH face-to-face and online.
- Discuss with teachers about the possible need to downsize the district (possibly RIF) because of COVID-19 in future years.
- Discuss with staff about the need and availability of mental health services for employees.
- Schedule time during the fall inservice for training of staff in safety protocol procedures with COVID-19 and document training.
- Review teacher certification endorsements for all teachers, as districts may need to be creative or change assignments to meet student/district/staff needs.
- Discuss with teachers about the possibility of reassignment. They are assured a position, but not a specific assignment.

### Convey to staff the expectations moving forward in regard to teaching:

- Discuss staff expectations and how this may be measured under alternative learning environments, i.e. will teacher evaluation look different under remote learning, wearing a mask, etc.
- Guidelines for working from home in a remote learning environment and expectations regarding hours, duties, etc.
- Use of personal/sick/bereavement leave under remote learning environment.
- Reasonable expectations of supervision in remote learning environments.

# SPED/504

<b>LOW/NO SPREAD</b> Building Open as Usual	<b>MINIMAL/MODERATE SPREAD</b> Modified use of buildings	<b>SUBSTANTIAL SPREAD</b> School buildings shut down
--	---	---

## SPED/504 ↘

The nature of this document is to provide suggestions, guidance, and considerations for a wide-variety of scenarios that school districts may encounter when planning for school opening in the fall in relation to SPED/504 Planning. It is imperative that each school district take into account the health status of the local community, the resources that are available to each school, and to remain flexible in meeting the educational, social, emotional, and health needs of each child. These practices and considerations are intended to be relevant for all stages of school operations.

### Best Practice for all Districts to follow in regards to students with Disabilities

Revisit IEP and determine if goals can be accomplished under current operating conditions.

- If **YES**, carry out services to support goals.
- If **NO**, bring together the IEP team to determine how services can be modified to reflect current operating systems. Schools may want to consider remote learning, teletherapy, small on-site learning, sending staff to student homes, or having one-to-one service delivery.

Schools should ask the following question to Parents and IEP Team Members when reviewing all IEP's and 504 Plans prior to school starting: "Have the student's needs changed based on lack of in-person instruction?" Include a written response to this question as a Covid Impact Statement in the Plan.

- If **NO**, carry out services to support goals. Document parent response to this.
- If **YES**, bring together the IEP team to determine how services can be modified to reflect current operating systems. Document parent concerns and response. Schools may want to consider remote learning, teletherapy, small on-site learning, sending staff to student homes, or having one-to-one service delivery.
- Suggestion is to include a COVID Impact Statement that details the answer to this question in the Notes of IEP or 504 Plan.

### Considerations for School Districts

- If there is a directive or mandate that in-person education is "banned" then that will trump the IEP. If the DHM or guidance is just a recommendation to cease in-person education, then schools can use best judgement about how to best serve the students.
- Schools should follow the guidelines put forth by the local Health Departments, such as social distancing and use of PPE devices. Therapists and service providers may encounter situations where work with PPE devices or social distancing is not possible. This should be addressed to determine the best way to still deliver services, but these barriers should not be an automatic reason to stop services.
- If there is a local outbreak, schools will need to make a decision on what services will look like if schools will move to a modified schedule or if schools need to close. If services can still be delivered to identified students in a small group or a one-to-one environment, continuation of services should still be a consideration. This is a local decision that will need to be addressed and determined. Considerations in this scenario are staffing, availability of rooms and spaces, number of students to be served, services to be provided, parental willingness to implement the plan, etc.
- Compensatory and recoupment of lost learning. If you have concerns or need guidance on this, please refer to Launch Nebraska Document.

## SPED/504 *continued...*

**LOW/NO SPREAD**  
Building Open as Usual

**MINIMAL/MODERATE SPREAD**  
Modified use of buildings

**SUBSTANTIAL SPREAD**  
School buildings shut down

### Considerations for School Districts *continued...*

- When making decisions regarding student services, school districts may want to consider putting all student services type considerations into one target area to ensure that no consideration area(s) get overlooked. This would include academic services, behavior services, OT services, PT services, SLP services, OHI services, and 504 Plans.
- Launch Nebraska Health Document currently recommends homogeneous grouping for small schools and sets static group sizes at 20 students. Students can leave the homogenous grouping for services and/or the SPED teacher/therapists are able to come into the homogeneous classroom. See Best Practice statement at top of document and be very mindful of Least Restrictive Environment (LRE) when grouping students. DO NOT just put all students that qualify for SPED services in a group for easier access. LRE is still required and expected.
- When budgeting, school administrators may want to consider that funding may need to be adjusted if it is necessary to provide a new level of services to students. This may be due to personnel, equipment, contracted services, etc.
- *If needing to make changes to IEP/504 Plans to address changes in instructional delivery (i.e. in-person to remote learning), a PWN should address this change until the IEP/504 plan is due for review/renewal. Districts do not have to hold an IEP/504 meeting for all students prior to the start of the school year. See Best Practice Section at top of document.*

# TRANSPORTATION

**LOW/NO SPREAD**  
Building open as usual

**MINIMAL/MODERATE SPREAD**  
Modified use of buildings

**SUBSTANTIAL SPREAD**  
School buildings shut down

## TRANSPORTATION ↘

### Alternatives for Districts to Consider for COVID-19 Safe Transportation if there is a Risk

*Note: NDE guidance indicates that school busing operations proceed normally when there is Low/No Spread. Therefore these considerations may be applicable to only Minimal/Moderate Spread depending on the desire of the district:*

- Bus drivers and monitors wear masks at all times while transporting students.
- Employ bus monitors on each bus to ensure that passengers are adhering to health and safety expectations and to conduct temperature screenings.
- Take the temperature of all students prior to entry on the bus in the morning and then again before afternoon routes and activity trips.
- Develop a protocol with parents such as: if students have temperature above 100.4 they may not ride the bus either morning or afternoon routes, or before activity trips (e.g. when the student has a fever during the school day, the parent/guardian must arrange transportation back home for their child).
- All students and staff apply hand sanitizer as they enter the vehicle.
- When doubling up is necessary, sit students together who are from the same household.
- Develop seating arrangements based on the order students get on and off the bus (e.g. for AM routes, the first student on, sits at the back of the bus, the last student on, sits at the front of the bus).
- Disembarking should happen from front to back to minimize exposure.
- Drivers stay home if they have a fever or other COVID-19 related symptoms.
- Sanitize all surfaces after every route or trip.

No transportation would be provided.

## TRANSPORTATION *continued...* ↘

Bus routes and activity trips operate at full student capacity, with reasonable health measures implemented to prevent the spread of COVID-19, if deemed feasible by the district.

**Bus routes and activity trips operate at reduced student capacity, with reasonable health measures implemented to prevent the spread of COVID-19, if deemed feasible by the district.**

- Consider offering parents the option to bring their child(ren) to and from school rather than ride the bus.
- Consider whether passengers will wear masks, if feasible.
- Consider using multiple buses for activity trips to better space students for large activity groups, if feasible.
- If all certified drivers become suddenly unavailable due to COVID-19 related circumstances, consider utilizing clause 001.02A (iv) in NDE Rule 91 allowing for "...the operation of small vehicles in emergency situations when approved by the school administrator or person designated by the local governing school board."
- Consider increasing the number of bus routes for heavily populated routes, if feasible.
